Kiwi Golf Development Foundation

To whom it may concern

Over the past 5 weeks we have been fortunate to have Kevin Smith in our school working, on behalf of the Kiwi Golf Development Foundation, with 30 of our year 5-8 students.

Kevin is an excellent coach, he shows great patience, humour, is very safety conscious and is able to teach the basic skills of golf in a way that is easy for children to understand and enjoy.

I observed several of the lessons and was very impressed at the progress made by all of the students.

The programme finished with the children playing a few holes on the local course – something they absolutely loved!!

We were very fortunate to be able to take up this programme with no cost to the school. And would most definitely engage with the Kiwi Golf Development Foundation in the future.

A quote from one of our students “Coach Kevin is cool – I love golf!”

Yours
